

# II MEĐUNARODNI KONGRES

Regenerativna medicina - matične ćelije, genetički inženjering  
i biotehnologije

09. decembar, Sarajevo, UNITIC centar

[www.maticnecelije.eu](http://www.maticnecelije.eu)

ORGANIZATORI KONGRESA

Institut za  
genetičko  
inženjerstvo i  
biotehnologiju

PARTNERI KONGRESA

UDRUŽENJE GINEKOLOGA  
I PERINATOLOGA FBiH

MEDIJSKI POKROVITELJI

## PROGRAM

10:00 – 10:45

Registration of participants/*Registracija učesnika*

10:45 – 11:00

Congress opening/*Otvaranje kongresa*

11:00 – 13:30

The presentations of speakers-first part/*Izlaganja govornika-prvi dio*

**Arnoud van Tulder**, Chief Executive Officer Cryo-Save Group

**„Importance of Family stem cell banking - over 10 years of leading experience“**

**„Važnost Porodičnog pohranjivanja matičnih ćelija – deset godina vodećeg iskustva“**

**Cherie Daly**, MD, Member of ITERA (International Tissue Engineering Research Association),  
Member of Medical and Scientific Advisory Board of „Parents Guide Cord Blood Foundation“,  
Director of „CSD Consulting“

**„Stem cells from the tissue and umbilical cord blood - current applications and trends in future“**

**„Matične ćelije iz tkiva i krvi pupčane vrpce – trenutne aplikacije i trendovi u budućnosti“**

**Prof. Christoph Stamm**, MD, PhD, German Heart Centre Berlin (DHZB), Heart, Thorax, Vascular Surgery,  
Berlin, Germany

**„Heart diseases stem cells therapy“**

**„Terapija matičnim ćelijama kod srčanih oboljenja“**

**Roger Amar**, MD, PhD, The AMAR Clinic Director, Marbella Spain

**„FAMI (Fresh Autologous Mesenchymal Integration) technique“**

**„FAMI – Tehnika autolognog presađivanje mezenhimalnih matičnih ćelija“**

**Prof. Zoran Galić**, PhD, UCLA David Geffen School of Medicine, Department of Hematology and Oncology

**„The therapeutic potential of genetically modified blood stem cells“**

**„Terapeutski potencijal genetički modifikovanih matičnih ćelija krvi“**

13:30 – 14:30

Lunch break/*Pauza za ručak*

14:30 – 16:30

The presentations of speakers-second part/*Izlaganja govornika-drugi dio*

**Lejla Kapur-Pojskić**, PhD, Head of LHG-Institute for Genetical Engineering and Biotechnology (INGEB)

**„Rationalization of scientific research capacities to work on stem cells in Bosnia and Herzegovina“**

**„Racionalizacija naučno-istraživačkih kapaciteta za rad na matičnim stanicama u BiH“**

**Aida Arnautović**, PhD, Department of Hematology-UCC Tuzla

**„Selection of stem cells sources“**

**„Selekcija izvora matičnih ćelija“**

**Prof. Bela Balint**, MD, PhD, Head of the Institute for Transfusion VMA Belgrade

**„Stem cell-based grafting: innovative research and clinical practice - a single center study“**

**„Transplantacija matičnih ćelija - Nova istraživanja i klinička praksa“**

**Prof. Adolf Lukanovič**, MD, PhD, Head of the Department of Gynecology and Obstetrics of UMC Ljubljana

**„First experiences with use of myoblastoma in the treatment of stress urinary incontinence for women“**

**„Prva iskustva sa upotrebom mioblasta u liječenju stres urinarnе inkontinencije kod žena“**

16:30 – 17:00

Discussion, questions and congress closing / *Diskusije, pitanja i zatvaranje kongresa*
